TIPS

Discovery groups are HOLY SPIRIT led.

This story set is a guideline, not a fixed program.

Don't teach. Rather let the group discover for themselves what the passage is about.

Be flexible:

- If something comes up that you need to address, and want to do a story that is not in this list, or a story that is further down the list, do so.
- If people need prayer for healing or deliverance or any other problem, attend to their needs – prayer, etc.
- If they need more explanation on a specific topic, use more stories that explains the point (look at the list for more stories).
- Read the document: *Why Discovery Bible Studies – how to make DBS ineffective.*
